2.3 Provisions which deviate from these Standard Terms can be invoked by Buyer only if and to the extent that these provisions are accepted by Supplier in writing.

2.4 By accepting the applicability of these Standard Terms Buyer agrees and accepts that these Standard Terms shall also apply to all future agreements with Supplier.

2.6 In case one or more of the provisions set forth in these Standard Terms shall, for any reason, be held to be invalid, or unenforceable in any respect, the legality, validity or enforceability of the remaining provisions of this document shall not in any way be affected or impaired thereby. The invalid or unenforceable provision shall be converted to a provision as close as possible to its original meaning in such a way that recourse can be taken to such condition.

3. OFFERS, ESTABLISHMENT OF AGREEMENT

Should an offer comprise a non-binding offer, and this offer shall be accepted by Buyer, then Supplier has the right to recall such acceptance within 2 Working Days after the receipt by Supplier of said acceptance.

5. PRICE, PRICE INCREASES

5.1 The prices are exclusive of VAT and based on delivery INCO term 2020 EXW (ex-works) and therefore exclusive of import or export, duties, exercise, taxes, packaging taxes, any other charges, levies and rights unless explicitly provided otherwise. The prices are furthermore exclusive of all costs of packaging, loading, transport, unloading, insurance, assembly, commissioning and any other services unless explicitly indicated otherwise.

5.2 The price stated by Supplier is based upon (cost) determining factors (such as cost of raw materials, materials, transport and wages) prevailing at the effective date of the Agreement. If the costs increase thereafter by 5%, Supplier is entitled to adjust the prices accordingly and to charge Buyer the actual price increase.

5.3 In the event Parties mutually agree on a Variation in writing, Supplier shall have the right to amend the prices in accordance with the costs of the Variation.

6. DELIVERY

6.1 Unless the Parties have explicitly agreed upon otherwise, delivery of the Goods shall take place on the basis of the Incoterm EXW (ex-works) warehouse Supplier as set forth in the Incoterms that apply at the date of the Agreement.

6.2 Unless expressly agreed otherwise, loading, dispatching or transport, unloading and insuring of the Goods to be delivered shall be

effected for the risk of Buyer, even if Supplier arranges for this or pays for the same.

6.3 Supplier shall be deemed to have delivered the Goods to Buyer ex-works after Supplier has informed Buyer that the Goods are available and ready for transport or dispatch in the designated warehouse of Supplier. Goods consisting of services are deemed to be delivered as soon as Supplier has notified Buyer that the Goods are completed.

6.4 Buyer is obliged to collect the Goods at the moment at which the Goods shall be made available to Buyer, *casu quo* at the moment at which said Goods shall be delivered to Buyer. In such case as Buyer shall refuse to collect the Goods, or shall be negligent in the granting of information or instructions necessary for such delivery, then the Goods shall be stored by Supplier at the risk of Buyer. Buyer shall in such case be responsible for the payment of all supplementary costs, including in any case storage costs, thus incurred by Supplier.

6.5 If the Goods are not collected within 14 days after delivery has taken place, Buyer shall be in default without prior notice of default and Supplier will be entitled either to rescind the Agreement or hand over the Goods to Buyer in any way that Supplier deems appropriate.

6.6 All costs and damages which result from the default of Buyer are at the expense of Buyer.

7. DELIVERY TIME

7.1 An agreed upon delivery time by the Parties is not a deadline unless specific Agreement shall have been reached to the contrary by the Parties.

7.5 Whilst all reasonable endeavors will be made to meet the quoted delivery time, Supplier shall not be liable in any manner for failure to deliver within the delivery time quoted.

7.6 If Supplier expects that the agreed delivery time will be exceeded, it will inform Buyer thereof as soon as possible. A failure to make a timely delivery shall never entitle Buyer to additional or substitute compensation or to non-compliance by Buyer of any of its own obligations vis-à-vis Supplier arising from the Agreement.

8. PARTIAL DELIVERIES

Supplier has the right to deliver the Goods in parts. Each partial delivery will be deemed an independent delivery with respect to the applicability of the provisions of these Standard Terms. Supplier has the right to invoice a partial delivery separately.

9. CHANGES IN THE DELIVERED GOODS

Minimal deviations with regard to the specified sizes, weights, quantities, colors and other similar specifications in the Goods to be delivered by Supplier are permissible, and shall not be considered as shortcomings on the part of Supplier in its fulfilment of the Agreement.

10. PAYMENT AND COLLECTION COSTS

10.1 Buyer will pay a deposit of 30% of the contract price at the time of conclusion of the Agreement. The deposit will be non-returnable unless the Agreement is terminated due to a breach of Supplier. Buyer will pay 60% of the contract price upon shipment of the Goods. Buyer will pay 10% of the contract price after receipt of the Goods.

10.2 Payment shall be made in the currency as specified on the invoice within 30 days after the invoice date. However, Supplier shall at all times have the right to demand full or partial payment in advance from Buyer and/or otherwise obtain security for payment from Buyer. Any full or partial payment made in advance by Buyer is non-refundable unless the Agreement is rescinded or terminated by Buyer due to a breach of the Agreement by Supplier.

10.3 In the event of payments by bank transfer, Buyer must at all times mention the respective invoice numbers. Payments by bank transfer

which are not (completely) specified in this manner are first applied against the oldest invoices of Buyer as well as against the interest due and costs made in relation thereto.

10.4 If Buyer fails to pay any amount due in the manner described above, it shall be in default without prior notice of default. If Buyer remains in default with any payment, all other Supplier claims on Buyer shall be immediately and totally due and the default becomes effective also with respect to those other claims, and without notice of default. As from the day Buyer is in default with a payment, overdue payment interest equal to the legal interest rate plus 2% of the outstanding amount per month shall be due for any part of a month during which the default continues.

10.5 Buyer's payment shall be deemed to have been made on the moment the payment is credited to Supplier's bank account.

10.6 Should Buyer fail to make payments within the time specified above, it shall pay a penalty in the amount of 1% of the total value of the late payment for each full 7 days of delay. However, the total amount of the penalty is not to exceed 5% of the Total Contract Value.

10.7 Buyer relinquishes any right to settle amounts charged by and between the Parties. The submission of guarantee claims does not suspend the payment obligations of Buyer.

11. PROPRIETARY RIGHTS

11.1 After the Goods have been delivered as per Clause 6, the Goods are for Buyer's risk and expense.

11.2 All Goods sold by Supplier to Buyer shall remain the property of Supplier until Buyer has paid in full all that is owed to Supplier in connection with the Agreement and/or in connection with prior or subsequent agreements of the same nature, including, without limitation, damages, costs and interest. Buyer has no right of retention in respect of these Goods.

11.3 Buyer is not entitled to pledge or otherwise encumber the Goods covered by the retention of title.

11.4 If any third party imposes an attachment on the Goods covered by the retention of title or wish to establish or assert rights on the same, Buyer is required to inform Supplier thereof immediately.

11.5 Buyer is required to insure and keep insured the Goods covered by the above retention of title against fire, explosion and water damage, as well as against theft, and to provide Supplier with the insurance policy upon Supplier's first request. If Goods covered by the above retention of title are destroyed or damaged in any way, Buyer shall fully compensate Supplier.

11.6 In the event Supplier wishes to exercise its ownership rights in accordance with the above retention of title, Buyer authorizes Supplier (or any third party designated by Supplier), now for then, unconditionally and irrevocably, to enter the locations where Supplier's Goods are located and retrieve such Goods there from and to grant all cooperation in this respect.

11.7 Upon Supplier's first request, Buyer shall pledge in accordance with Clause 3:239 Dutch Civil Code all its claims towards insurers with regard to the Goods and/or its claims towards customers in the resale of the Goods covered by the retention of title.

11.8 As long as the retention of title is applicable to the Goods delivered by Supplier, Buyer will store the Goods and label them in such a way that they are clearly identifiable as Goods belonging to Supplier.

12. ACCEPTANCE OF DELIVERY AND INSPECTION

12.1 Buyer is obliged to confirm the delivery of the Goods within 3 Working Days in writing to Supplier.

12.2 Buyer is obliged to inspect the correctness, quality and the quantity of the Goods delivered by Supplier as soon as the Goods are offered for inspection by Supplier.

12.3 In any event, the Goods are deemed to be accepted after 1 month after delivery.

12.4 Buyer shall cooperate without delay in the acceptance of the Goods delivered as soon as Supplier offers these Goods for acceptance. Supplier is also entitled to offer the Goods for acceptance in parts. All costs incurred by Supplier in relation to the non-acceptance of the Goods delivered are for the account of Buyer including any costs of storage and transport.

13. WARRANTY

13.1 During the Warranty Period, Supplier warrants the good quality of the Goods (meaning the Goods being in compliance with the agreed specifications) Supplier delivered to Buyer, to the extent that in the event the non-compliance of the Goods arise during the Warranty

Period, Supplier will redeliver the Goods in question at no cost to Buyer, provided that the Buyer gives immediate notice of such defect in accordance with Clause 13.3 and 13.4.

13.2 After expiry of the Warranty Period, Supplier is no longer obliged to offer the services as meant under Clause 13.1 of these Standard Terms, and Supplier is no longer liable for defects in (the manufacturing or construction of) the Goods, to the extent no timely notice was given of such defect in the Warranty Period as set out under Clause 13.3 and 13.4.

13.3 With respect to noticeable defects of the Goods, Buyer has to submit a claim to Supplier in writing within 14 Working Days after Buyer has the Goods in its possession, being the moment on which: (a) Buyer collects the Goods at a warehouse of Supplier or (b) Supplier or a carrier used by Supplier delivers the Goods on the location as agreed between the Parties, failing which any claim of Buyer on Supplier relating thereto will lapse. With noticeable defects is also meant, delivery of (a quantity of) Goods that are not in conformity with the Agreement.

13.4 Claims with respect to other defects must be made in writing within 14 Working Days after their appearance and at the latest prior to the expiration of the Warranty Period failing which any claim of Buyer on Supplier relating thereto will lapse.

13.5 Supplier will investigate claims under the guarantee as soon as possible after notification thereof by Buyer. Buyer shall provide Supplier with the opportunity to do so. On the basis thereof Supplier will determine whether Buyer's claim is justified.

13.6 Any rights to a guarantee also lapses if: (a) The directions given by Supplier for use of the Goods are not followed exactly; (b) The Goods are used improperly or not in accordance with the agreed to or usual purpose; (c) Buyer has not fulfilled any of its obligations towards Supplier arising from the underlying Agreement, or has not fulfilled them adequately or on time; (d) The Goods have been damaged by external causes such as (rain)water, heating, fire etc.

13.7 Replacement items will be delivered by Supplier at Supplier's cost to Buyer's site in the Netherlands or, if Buyer is located outside the Netherlands, FCA in the Netherlands.

13.8 Goods replaced or corrected in accordance with this Clause 13.1 shall be subject to the foregoing warranty for the unexpired portion of the Warranty Period or for ninety days from the date of their return to Buyer (or completion of correction in the case of Services), whichever expires the later.

13.9 Goods or services sourced by Supplier from a third party for resale to Buyer shall carry only the warranty extended by the original manufacturer.

13.10 Subject to Clause 14, the foregoing constitutes Supplier's sole warranty and responsibility in regard to any nonconformity of the Goods or any attributable improper performance of the Goods and Buyer's exclusive remedy in the event of any such non-conformity or attributable improper performance and any breach of the warranty. All rights and remedies of the Buyer with regard to any non-conformity of the Goods, any attributable improper performance of the Goods and/or with regard to any rights or remedies under any warranty, will lapse after the respective Warranty Period. No representations, warranties or conditions of any kind, express or implied, shall apply as to satisfactory quality, merchantability, fitness for any particular purpose or any other matter with respect to any of the Goods.

14. LIABILITY

14.1 Supplier's liability in connection with any defects in Goods it has delivered is limited to the fulfilment of the warranties described in Clause 13.

14.2 Supplier shall never be liable for any damages (including, without limitation, loss of profit, loss of opportunity, loss of savings) other than Direct Damages.

14.3 In all cases in which Supplier is obliged to pay damages to Buyer, these damages shall never be higher than, at Supplier's absolute discretion, either the Total Contract Value whereby or in connection with which the damage was actually caused or, if the damage is covered by an insurance policy of Supplier, the amount that is actually paid out by the insurer with respect thereto. Any claim of Buyer towards Supplier, except those expressly recognized by Supplier in writing, lapses after a period of 12 months as of the time the alleged harmful event underlying the claim arose.

14.4 Conditions which limit exclude or determine liability, to which Supplier is subjected by its suppliers or subcontractors in connection with the Goods, can be imposed on and invoked by Supplier against Buyer.

14.5 Supplier's employees, or independent contractors brought in by Supplier for the implementation of the Agreement and these Standard Terms, including any and all agreements in connection herewith, can, towards Buyer, invoke all means of defense afforded by the Agreement and these Standard Terms as if they themselves were a party to the Agreement and these Standard Terms.

14.6 Buyer will hold harmless and indemnify Supplier, its employees and independent contractors brought in for the implementation of the Agreement for each claim by third parties in connection with the implementation by Supplier of the Agreement, insofar as those claims are greater than or different from those to which Buyer is entitled against Supplier.

15. FORCE MAJEURE

15.1 In the event that Supplier breaches or fails to perform any of the terms or conditions of the Agreement due to Force Majeure, Supplier's obligations are suspended and Supplier shall not be liable for any damages incurred by Buyer as a result of such breach or failure.

15.2 In case Supplier is unable to perform its obligations as a result of a situation as referred in this Clause 15.1 for more than 30 days, Parties shall meet to discuss what measures should be undertaken. However, if Parties cannot reach an agreement within Working Days as from the expiry of the aforementioned period of 30 days, Buyer is authorized to terminate the relevant remaining part of the Agreement by a written declaration.

16. TERMINATION AND CONSEQUENCES

16.1 Each Party may, without prejudice to its other rights or remedies, rescind (Dutch: "ontbinden") the Agreement with immediate effect by notice to the other Party if the other Party:

 - b. ceases or threatens to cease to carry on its business.

16.3 If the Agreement rescinds or terminates pursuant to Section 16.1 or 16.2 even before the Goods are delivered in whole or in part, Supplier, without prejudice to its other rights or remedies, is entitled to the full agreed Total Contract Value for those Goods, decreased by the savings arising directly from the termination.

17.6 If Buyer entered into the Agreement with Supplier pursuant to a request for proposal or similar process as initiated by Buyer with different third parties and if such third party has applied for or registered for any intellectual property rights or similar process, then Buyer shall indemnify Supplier for any and all damages (including loss of profits) that may arise as a result of any such application or registration by such third party. For the avoidance of doubt, if the Goods infringe a third party right as aforementioned, that shall be Buyer's responsibility and shall not result in a default of Supplier under the Agreement.
